INFORMATION DISCLOSURE STATEMENT

Applicants submit the references listed on the enclosed Form PTO-1449, copies of which are enclosed. Copies of an International Search Report and International Preliminary Examination Reports are also enclosed.

Submission of this statement is not a representation that a search has been made, nor is the inclusion of information in this statement an admission that the information is material to patentability.

This statement is being filed before the receipt of a first Office action on the merits.

Applicants note that an Information Disclosure Statement and a Form PTO-1449 were filed in this case on January 31, 2005, and that they have not yet received an initialed copy of the Form PTO-1449. Applicants thus request an initialed copy of the Form PTO-1449.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,

Date: 15-Sep-2006
